

Celebrate Earth Day!

With a great deal on great film from Plastic Suppliers, Inc.

Are You Putting the Earth First in Your Packaging?

At Plastic Suppliers we celebrate Earth Day everyday by manufacturing EarthFirst® films!

In the spirit of Earth Day, Plastic Suppliers will take 5% off the product price on all orders for blown EarthFirst packaging films placed during the week of April 19th, ending April 23rd, 2010.

All orders must ship no later than May 21st.

EarthFirst films are the premier biopolymer film commercially available. These award winning products are manufactured in Columbus, Ohio and are ideal for flexible packaging and labeling applications. Call us to see how our products can help you improve your environmental footprint through reduced energy consumption and the use of natural resources.

Plastic Suppliers is leading the way through innovation, customer satisfaction and sustainability making us your global films solution!
